Need project assistance?

Just a reminder to please let me know if you need help with any project (livestock or non-livestock). The Extension office is here to support all project areas & is happy to do so!

Call 281/855-5619 or Misty at 281/855-5618

Interested in becoming an Ambassador or Ambassador in Training?

Interested 4-Hers must be at least 14 years old and no older than 18 by the application due date and must have at least one year of high school left. They must fulfill the Ambassador requirements as listed in the handbook.

The 2011 County 4-H Ambassador Handbook is available on our website or by calling our office. Applications are due to the 4-H office by June 17th.

The 4-H Ambassador Program is one of the best opportunities for 4-H teen leaders, club officers, and those with leadership and public speaking skills. It helps to enhance their leadership and public speaking skills and to gain experiences at the county level to promote 4-H and have contact with elected officials and key leaders in their communities and in Harris County.

Please encourage your 4-Hers to consider the Ambassador Program.

District Leadership Lab

District 9 4-H Leadership Lab is held just for our 4-H members who are 14-19 years of age at lab time. Leadership lab is scheduled for June 28-30, 2011 at the **Sam Houston State University**. Approximately 150 4-H teens attend this outstanding and very popular activity each year. It's fun... it's educational... it's recreation with 4-Hers from across our district composed of Harris County plus 17 counties surrounding Harris County.

The fee is \$155. per person. The fee covers 2 nights lodging, all meals, program activities, insurance, curriculum, and t-shirts. The attire is school appropriate (casual).

The on-line entry deadline is May 27, 2011. For more information check the District 9 website at: <http://d94-h.tamu.edu/eventsandcontests/leadership-lab>

4-H Gold Star Award & Other Awards

Are you an active 4-H teen member who is deserving of the 4-H Gold Star Award? The Gold Star Award is the highest award a 4-Her may achieve in Texas. It is awarded at the county level during the Harris County 4-H Awards Program in August. This award is given each year to outstanding 4-Hers based on their total 4-H careers – project work, leadership, community service. A copy of the guidelines and application are on our Extension website to review and to print.

Applications are due in the County 4-H Office June 17, 2011. Interviews will be conducted during the day on Wednesday, July 6th at the Extension Office from 1:00pm—4:00pm Interview times will be arranged with each 4-H applicant.

The assistance of club managers and parents is needed to recruit qualified applicants for the Gold Star Award. Sometimes, our 4-Hers are unaware of this top achievement, so your help is needed to inform them and to encourage them to apply. This award is a MUST for anyone who wants to try for a 4-H scholarship. The 4-H Gold Star Award carries the same prestige as the Boy Scout Eagle Award.

The award is being publicized now, because most of our 4-H clubs take vacation from business meetings during the Summer. Hopefully, you will have time before your club's last meeting of the year to reach your 4-Hers with this information.

Some of the requirements for the awards are as follows:

Gold Star Award & I Dare You Award—15 years of age as of August 31st of the current 4-H year and must have completed at least 3 years in 4-H including the current year.

Silver Star Award—11 to 13 years old as of August 31st of the current 4-H year

Bronze Award—8-10 years old as of August 31st of the current 4-H year

Food & Nutrition Project Volunteers Wanted

In an effort to increase youth participation in the 4-H Food Challenge, a task force of youth and adults is being organized.

4-H Food Challenge is a new, “highly-charged” foods experience. Modeled after such competitions as the Food Network's Iron Chef, the 4-H Food Challenge allows teams of three to five 4-H members to create a dish using a predetermined set of ingredients. From these ingredients, 4-H members must identify, prepare and then present information related to the preparation process, nutritional value, serving size and cost of the dish.

This activity is one of the 4-H contests and youth may compete at county, district and seniors may advance to state. If you would like to serve on the task force, please email Sonja Davis at [sstueart@ag.tamu.edu](mailto:ssueart@ag.tamu.edu)

2011 Texas State 4-H Horse Show Rules & Regulations are available online. They can be found <http://animalscience.tamu.edu/academics/equine/state-4h-show/index.htm>

Futurity Rule Reminder

Attention: This is a reminder that will be in effect for the 2011 Texas 4-H Horse Show. All 4-H'ers nominating a futurity project horse must be at least 12 years old or older as of September 1, of the current 4-H year. To be eligible for State Show Futurity classes, a 4-H'er must show in the Futurity classes at the District Show. The Texas 4-H Horse Show offers five futurities to 4-H horse exhibitors as follows: Yearling Halter Geldings, Yearling Halter Fillies, Yearling Longe Line, Two-Year-Old futurity to be shown in a snaffle bit or bosal and 3-Year-Old futurity to be shown in a snaffle bit.

Futurity horse projects must be owned and nominated by May 1. To nominate a futurity project youth must submit their completed Futurity Horse Project Nomination Form and nomination fee to the 4-H office by May 1. If you are interested in making a futurity nomination please call the 4-H office for more details.

2011 District & State Horse Shows

There will be no county horse show this year. All horse projects must be validated in Harris County 4-H office by May 1st to compete in the District Horse Show. If a horse is registered a copy of the registration papers should accompany the certification form. Unregistered horse owners must complete a Grade Horse form also. **Each 4-H horse project validation by a 4-Her must be accompanied by a \$10 fee. Make check payable to Harris 4-H Fund.**

The District 9 4-H Horse Show is scheduled for June 21-23, 2011 at the Brazos County Expo at 5827 Leonard Rd, Bryan, Texas.

The Texas State 4-H Horse Show will be held on July 23-30 in Abilene, Texas.

2011 Poultry Institute for Youth

Sponsored by U.S. Poultry and Egg Association

When?

The 2011 Poultry Institute for Youth will be held **Sunday, June 12 through Wednesday, June 15, 2011** at Texas A&M University in College Station TX.

What is the Institute?

The Institute is a 4 day enrichment camp for students with an interest in the poultry industry. Students will attend mini-lectures taught by Texas A&M University staff on topics such as anatomy, embryology, immunology, nutrition and processing. Students will also take field trips to a commercial layer facility and a local processing facility.

Who Is Eligible?

The Institute is open to students who will be enrolled in the Fall 2011 semester as a high school junior or senior, college freshmen.

How Do I Apply?

Interested students must complete an application that can be found on at the following link :

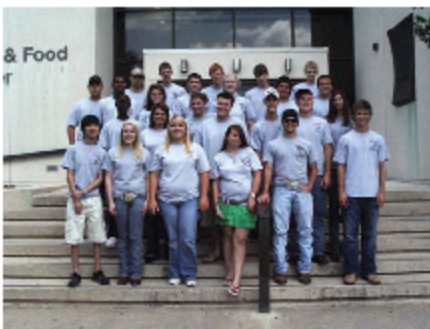

http://posc.tamu.edu/extensionprograms/youth_programs/index.htm

or you may contact Jennifer Allen at 979-845-1654 to have an application mailed to you.

Students must submit their application by **Friday, May 6, 2011**. Eligible participants will be selected on the basis of their applications and resumes. Notification will be mailed to selected students by **Monday, May 16, 2011**.

How Much Does It Cost?

A registration fee of \$50 will be required for each participant that is selected for the Institute. This fee is to be paid upon acceptance to the program and will go towards a commemorative camp t-shirt and evening activities.

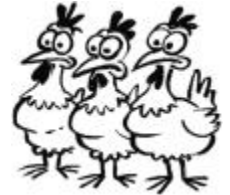

(Please send check only, no cash or money orders). Do not send with application. All other expenses (lodging and meals), except transportation to and from College Station, will be covered by the sponsorship of the U.S. Poultry and Egg Association.

For any questions about the Poultry Institute for Youth, please contact Jennifer Allen or Jason Lee at 979-845-1654.

Market Poultry Production & Selection Workshop—June 4, 2011

This workshop provides an excellent opportunity to “hear the experts” and work alongside Texas’ major poultry judges. This workshop is for adults or youth. It will be held at Louis Pearce Pavilion in College Station, Texas. The cost of the workshop is \$45—individual or family, \$50 after June 1 & onsite and \$10—lunch (optional).

Youth interested in a career in poultry science should make a special effort to attend the workshop. Educational activities include in-depth discussion on brooding, management, sanitation and feeding programs and selection and processing methods for broilers, turkeys and roasters. Discussion on selection procedures and bird quality characteristics will be followed by “hands on” practice in early culling and selecting and “putting together” show pens.
