Updates on the 4-H Dog Care and Training Project Activities

Most significant is the 2014 Texas 4-H Dog Show Catalog is now posted on-line at <http://texas4-h.tamu.edu/dogshow> it outlines the rules for the 2014 show. Please take note of some significant changes.

- The 2014 show will be held in Belton, Texas at the Bell County Expo July 11-13, 2014.
- New exhibition class Treibball has been added. Treibball is also known as urban herding where dogs “herd” exercise balls to a goal using basic herding techniques.
- ◆ We have also added a new Foster/Family Dog Program to encourage fostering dogs. These dogs do not have to meet the six month ownership requirement and will be eligible for Canine Good
- ◆ Citizenship, Costume, Tricks, Obedience and Rally.

4Dog Project Clinics - There are no clinics currently scheduled, but we will let you know if we hear of anything in the works. Also please let me know if you are planning or want to plan a clinic.

AKC Opportunity - AKC has offered 4-H members free registration for Canine Partners and Pure-bred Alternative Listing for their dogs. This offers another opportunity to show and work toward titles for dogs that are not otherwise able to be registered. The letter with the details is from Savannah Martin a 4-H member and AKC Junior Handler working to coordinate resources between the two organizations. See the details and forms on the State 4-H Dog Show web page.

2014 Judge Recruitment - Any 4-H member, project leader, or parent may recruit and nominate judges for the 2014 Texas 4-H Dog Show. The recruitment packet is posted to the show website previously listed.

Pet Expo Houston - April 12, 2014 The Texas 4-H Dog Project will have a booth at the Pet Expo this year. This will be a great opportunity to market the 4-H Dog Project and help it grow.

District-9 4-H:

“Taking a ‘megabyte’ out of hunger”

What?

This year, your Southeast District 9 4-H Council is taking a “megabyte” out of hunger! According to food banks within the Oh So Fine D9, as well as the *Feed America* formula, \$1 can feed 4 persons. Our goal is to provide 100,000 meals to the community. In order for us to reach our goal we need YOUR help! So what can YOU do as a 4-Her to participate in this very important and broad reaching community service project?

How?

You can:

- Have a car wash where people give donations in return for their car being washed.
- Hold a fun run or mud run which endorses 4-H and raises money.
- Put on a play day for your county’s horse project members and open it to the community.
- Sell concessions at local high school football game or other public event with permission.
- Solicit donations from local businesses.
- Participate at local events (i.e. fairs, festivals, shows) as a county or club to raise money.
- Collect donations at Tractor Supply during clover campaigns
- Boys vs. Girls loose change collection at council meetings.
- Be creative!

When?

Feel free to start raising funds as soon as you want! All money will be gathered prior to or at the Big Time in D9 event (May 2-3, 2014). At that time we hope to have reached our goal of \$25,000 raised to provide the 100,000 meals to take that “megabyte” out of hunger! So put your best foot forward, and continue to make the best better!

*Mega is a prefix for million. We are not actually feeding 1 million people.

*A random act of kindness is a purportedly selfless act performed by a person or persons wishing to either assist or cheer up an individual or in some cases even an animal. There will generally be no reason other than to make people smile, or be happier.
~ Wikipedia, 2008*
