

## Online links for Gardening with Students

Our main **Cylinder Gardening** page has links at the bottom of the page  
<http://harris.agrilife.org/hort/cylindergardening/>

There are links there for Composting for kids, Worm composting and other student/child friendly garden information

Additional gardening information, including How to Build Raised Beds, can be accessed **On the Web:** <http://harris.agrilife.org/hort> .- from the main page, click on Vegetables & Herbs. Here are some other Horticulture links that are beneficial:

**Subscribe to the Horticulture Blog:** <http://agrilife.org/harrishort>

**On Facebook:** <http://www.facebook.com/HarrisCountyHorticulture>

**On YouTube:** <http://www.youtube.com/user/skiprgarden>

**On YouTube:** [Harris County Extension Tube Channel](http://www.youtube.com/channel/UC...)

**Open Garden Day:** <http://hcmga.tamu.edu/Public/openGardenExt.aspx>

**Green Thumb Lecture**

**Series:** <http://hcmga.tamu.edu/Public/pubGreenThumb.aspx>

**Series:** <https://harris.agrilife.org/home-grown-lecture-series/>

**Facebook Family/ Child friendly group: Growing with Plants and**

**Nature:** <https://www.facebook.com/groups/GPNVG/>
